THRILL ISLAND

Decks 16 - 17

Vacationers can scale new heights and reach top speeds at the new Thrill Island. The lineup of adventures includes Category 6 — the largest waterpark at sea — and the daring Crown's Edge, alongside returning favorites like the FlowRider surf simulator and new takes on mini golf at Lost Dunes and rock climbing at Adrenaline Peak. Rounding out the thrills, just steps away, are new and casual spots to recharge with bites and drinks — Basecamp and the Desserted milkshake bar.

SUSTAINABILITY AT WORK

Featuring firsts from end to end, *Icon* is also Royal Caribbean International's first ship that can be powered by liquefied natural gas (LNG), a transitional fuel. The dual-fuel engines will work alongside a lineup of energy efficiency initiatives and industry-leading environmental programs on board, like the first waste-to-energy system at sea, making it the brand's most sustainable ship to date and the next step in parent company Royal Caribbean Group's journey to introduce a net-zero cruise ship by 2035.
