

SPECTRUM OF THE SEAS[®]

DECK PLANS • ACCOMMODATIONS • EVENT VENUES

DISCOVER INNOVATION

This is not a cruise. This is a journey far beyond the borders of ordinary. A ship that takes you to the sea, sky and plenty of action-packed shores along the way. It's where the nostalgia of childhood meets the technology of tomorrow. And entertainment spaces literally transcend the stage. It's the thrill of skydiving without even leaving the ship. And rush hour you'll actually enjoy on bumper cars at sea.

Order a cocktail mixed by robots at the Bionic Bar® then take in views 300 feet above sea level on the North Star®. And savor a culinary adventure that takes you from Italy to Wonderland.

This is *Spectrum of the Seas*®, a ship that will take your event to soaring new heights.

THIS IS AN EVENT ELEVATING ESCAPE

Accomplish your business objectives and put your attendees right in the action on one of the industry's biggest ships.

ROYAL CARIBBEAN® MEANS BUSINESS

In the cruise industry, Royal Caribbean offers the largest percentage of public space dedicated to meeting facilities, with venues that can accommodate up to 1,400 guests on our largest ships.

A TECH-NAUTICAL MARVEL

Our meeting facilities are sleek, modern spaces loaded with state-of-the-art multimedia technology. Video walls? Check. Teleconferencing? Check. VOOM® — the fastest internet at sea* — and mobile phone connectivity? Double check. And you'll never have trouble finding the location of a meeting spot or dining venue. Throughout the ship you'll find our award-winning digital Wayfinders, interactive screens that tell you where you are and where you want to go at the touch of a button.

TEAM BUILD FROM SEA TO SHINING SEA

From bumper cars and circus school at SeaPlex® to specialty dining and group shore excursions, to pre- and post-cruise hotel reservations, we can bring your team together at sea so they can work together better back home.
